General and Revenue departments.
(Inamrai Branch).

Sir,

I have the honor to forward herewith an application from Venkata-ramiah, Police Inspector, Maddagiri, for permission to dismantle the almost ruined temple of the Sri Kesava Swami at Maddagiri and to construct another temple at his own cost at some distance from the old site near the market place and

and also to consecrate the old idol in the new temple.

The temple in question is a muzrai institution with a tasdik of 0-11-8 per month. It has no Inam lands, no income and no Savings. It is reported to be in a dilapidated and irrepairable State. The villagers have no objection to the temple being dismantled and to the removal of the idol to another newly built temple. The Mahazar executed by them is attached to the file sent herewith.

The Sub Divisional officer in recommending the application, reports that owing to the dilapidated State of the temple, puja is not properly being done at present, that a portion of the temple was dismantled sometime back for the laying out of a road, that only the (ಗರ್ಭಗುಡಿ) Sanctum Sanctorum portion now remains and that in anticipation of Sanction of the applicant's prayer, he has permitted him to begin the construction

of the temple.

The prayer of the applicant to utilize the materials of the old temple for the construction of the new and to remove the idol to the new temple, may be kindly granted as the applicant's idea of restoring the temple and installing the diety is charitable and worthy of encouragement.

I have the honor to be,
Sir,
Your most obedient Servant.
